Welcome to **Day 1!** Today, we are laying the foundation. Your goal today is to understand how English sentences are built compared to Kannada and to learn your first set of "building block" words.

---

## 1. The Big Secret: Sentence Order

In Kannada, you put the action at the **end**. In English, the action comes **right after the person**.

- **Kannada style (SOV):** I (ನಾನು) food (ಊಟ) eat (ತಿನ್ನುತ್ತೇನೆ).
- **English style (SVO):** I eat food.

**Day 1 Rule:** Person + Action + Object.

---

## 2. Meet the "People" (Pronouns)

You must know these by heart. They are the same in every sentence.

## **English Kannada**

**I**            ನಾನು (Naanu)

**You**        ನೀನು / ನೀವು (Neenu / Neevu)

**We**          ನಾವು (Naavu)

**He**          ಅವನು (Avanu)

**She**        ಅವಳು (Avalu)
